Sec. 30-8. Regulating the installation and maintenance of fire signs.

- (a) All structures, including occasional-use trailers, within the town require a fire sign to provide for quick access by emergency services organizations.
- (b) Applications for fire signs shall be made to the town clerk on forms furnished by the town. All fire sign fees required under this section shall be established, from time to time, by town board resolution.
- (c) All fire signs and posts shall remain the property of the town. Oneida County Land Information will be responsible for assigning fire numbers. The Town Board or its designee will be responsible for installing new or replacing reflective fire signs as specified by the Manual on Uniform Traffic Control Devices (MUTCD). Fire signs will be double-sided, perpendicular to the road. Fire signs will be installed within the town, private, county, state highway and forest service roads right-of-way. Once a sign has been installed, it shall not be removed except by a town official.
- (d) Property owners shall be responsible for the following:
 - (1) Maintaining the area around fire signs so that shrubbery, trees, brush, weeds, or other items do not obscure the visibility of the fire sign.
 - (2) Ensuring signs remain free of dirt or snow.
 - (3) Ensuring that nothing is attached to the fire sign post other than the fire sign.
 - (4) Notifying a town official when a sign is missing or damaged beyond repair. Such notification shall be within 48 hours of the occurrence.
 - (5) Will be responsible for the cost of any new or replaced fire signs that shall comply with the guidelines set forth in the MUTCD.
- (e) Any person, firm or corporation who violates, disobeys, neglects, omits or refuses to comply with this section or who resists the enforcement of any of its provision, or who moves, removes or tampers with any fire sign or fire sign post shall, upon conviction, forfeit not less than \$75.00 nor more than \$250.00 together with the cost of prosecution, shall be imprisoned in the county jail of Oneida County until said forfeiture and costs are paid not to exceed 30 days for each violation. Each day that a violation continues to exist shall constitute a separate offense.
