

STATE OF WISCONSIN
Town of THREE LAKES
ONEIDA, County

Sec. 70-141. Established

The town board ordains that road weight limitations and restrictions be placed on all town roads during the period of the annual spring thaw, with the starting and ending dates each year to be coordinated with County and State DOT officials, and at other times as the town board may so designate for reasons related to the public safety and welfare.

(a) The town board may set the maximum weight limit amounts for bridges and or roadways that fall within its jurisdiction to protect from heavy loads pursuant to Wis. Stats. §349.17 as needed.

(Code 1987, § 7.07(1), 2011, 2014

Sec. 70-142. Posting and Notice.

All roads, bridges and culverts so posted shall have appropriate signs to indicate such road weights limitations. The weight limit in either pounds or tons shall appear on each sign to give reasonable notice to anyone entering such road as to the weight specifications allowed on that road.

(Code 1987, §7.07(2), § 7.07(3), 2011, 2014,062017

Sec. 70-143. Limits

The town board shall specify the maximum weight limits to be used for each application of the imposed restriction, either by individual road(s) or for all roads in the Town, at the discretion of the board. By resolution of the board with reference to this Section, limits may be amended as circumstances, needs or other factors arise and/or may dictate.

Sec. 70-144 Exceptions

Any motor vehicle whose primary operation is delivery or pickup of heating fuels, garbage/refuse, parcels, septage/wastewater or children attending school, is exempt from town road limits so long as the gross vehicle weight does not exceed 30,000 pounds.

(Code 1987, § 7.07(4), 2011, 022018
